HOBBIES AND INTERESTS

Gym

Besides being long period times sitting in a chair, 4 to 5 times a week, I enjoy training because keep me fit and healthy, challenge my physical limits and strengthen my focus.

Gaming

Around 6 years old, when I got my first computer I got fascinated with gaming, that's made me try to understand how things work behind that little screen, becoming then one of many reasons why today I liking coding.

Hanging Out

Spending time with my friends talking, discovering new places or doing some activities, is one of the most simple pleasant things I enjoy in my life.
